

Newcastle Strategy for Older People and an Ageing Population: Outcomes Framework

Overall aim: To improve the quality of life of older people in Newcastle

Aim 1 Making a positive contribution (active citizens)

Outcome 1a

Older people are engaged in decision-making

Outcome 1b

Older people are contributing to community life

Outcome 1c

Older people are respected and valued and free from discrimination

Outcome 1d

Older people have opportunities to engage in activities with younger people

Aim 2 Accessing information, advice and advocacy

Outcome 2a

Older people have access to information, advice and advocacy

Aim 3 Physical, mental and emotional health and well-being

Outcome 3a

Older people and carers access a range of preventive services which enable them to stay physically, mentally and emotionally happy

Outcome 3b

Older people and carers access a range of good quality health and social care services

Outcome 3c

Older people will have good social networks

Outcome 3d

Older people have access to practical services which promote independence

Aim 4 Enjoying older person friendly environments

Outcome 4a

Older people will feel safe in their home, their city and their communities

Outcome 4b

Older people have decent, appropriate accommodation in older person friendly neighbourhoods

Outcome 4c

Older people can get out and about easily

Aim 5 Financially and materially secure

Outcome 5a

Older people have the opportunity to prepare for retirement and to receive ongoing advice and information

Outcome 5b

Older people have the opportunity to work

Delivery

- Mainstream services meet the needs and aspirations of older people
- Effective leadership to deliver the strategy
- Communicating and promoting the strategy
- Promoting positive images of older people
- Reviewing and updating the strategy
