

'Outside In' Project - Big Lottery News

Holy Nativity Parochial Church Council are delighted to announce that Big Lottery Fund has awarded the 'Outside In' Community Project a capital grant of £500,000. This is tremendously encouraging news.

Holy Nativity was one of 125 successful applicants out of 1,600. The grant is still subject to us securing the remaining funds required to reach our total. About £200,000 has already been raised. We need another £100,000. Applications have been sent to other trusts, so we wait in hope. Meanwhile our local fund-raising continues.

THANKYOU to everyone who has supported the project so far with their time, skills and donations - these undoubtedly helped us to obtain the Big Lottery award.
