

Let's see your Photographs of Jesmond!

“My Jesmond” Photographic Competition

Jesmond Community Forum and Newcastle City Council want to collect photographs which show why Jesmond is a great place to live. There will be prizes for the best ones, and an exhibition – possibly a calendar of Jesmond views!

The competition will be in two categories, for photographers aged 16 and under, and those over 16. The closing date for entries is 30 September 2008. Entry forms, and the full rules of the competition, are available from Jesmond Library, from a range of community organisations, and from www.jesmond.uk.net/photos .
