STAFF DEVELOPMENT DAYS

Five days are to be identified for the purposes of staff development within the school academic year. Four of the days must be taken within the school term dates specified above and must take account (where appropriate) of the need for school closure to accommodate local, European or Parliamentary elections. The remaining day may be taken from the main holiday periods or from evenings. All staff should be consulted about these arrangements. It should be noted that the amount, content, location and timing of staff development days need not necessarily be common to all staff.

Staff development days cannot be brought forward from one academic year to the next.

Schools re-open on Thursday, 3 September 2009.
