

Photographic Orders

You can order prints from many of the images on Flickr, we provide copies in a variety of sizes, and cost is dependant on:

- Size of reproduction and whether you choose B&W/Colour or Sepia.
- Existence of a photographic negative, if this is not available then a charge of £5.40 is added to the price.
- Collection or posting of image.

We can also produce images to larger sizes than shown, but the cost will be considerably higher.

Payment for prints must be made in advance of work commencing on the order.
