

Our Promise to our Foster Carers

Newcastle Children's Social Care Fostering Service promises to:

- Thank you for the commitment you undertake with our children
- Offer you a range of opportunities to care for our children with no gaps in placements unless you request it
- Provide supervision, guidance and advice to support you in your work with our children
- Provide you with an annual training calendar and Personal Development Plan which helps equip you for the tasks you undertake with children
- Offer and facilitate regular support groups and events
- Communicate regularly with our foster carers through newsletters, working groups and consultations
- Offer competitive fees and allowances
- Provide access to the team around the child and additional specialists to enable you to fully support the children in your care
- Provide 24 hour support from experienced staff and Foster Carers
