

# Charity Clothing Collection Advice

Visit the Charity Commission website or call on 0870 3330123 to check whether the collection is for a registered charity.

Contact the City Council's Licensing service on 0191 2783864 or email [licensing@newcastle.gov.uk](mailto:licensing@newcastle.gov.uk) to see if they are licensed.

**If you have any doubts about the legitimacy of the collection, please give direct to a local charity shop instead, or a charity container located at a recycling centre.**

For further information please contact Newcastle City Council's Trading Standards Service on 0191 2116121 or email [tradingstandards@newcastle.gov.uk](mailto:tradingstandards@newcastle.gov.uk)
