**37. Other Issues**

- Members noted the City Council's intention to move the litter bins on Brunton Lane and Brunton Green. Members discussed in general the problems anticipated with the removal of bins and the less frequent emptying of those remaining. Councillor Ashby suggested that residents should complain as this was a criteria for the location of bins. Members suggested that residents and the Parish Council should be consulted on the best locations for litter bins.
- Members reiterated the need to formalise the peppercorn rent for the scout hut to protect the Parish Council's interest as land owner.
- Comments had been received regarding public interest in the provision of picnic tables on the green outside the Community Centre. The Parish Council noted the interest.
- Members were informed of the possible trial of an additional glass recycling bin to replace the current small caddy
- The bin in the park had been removed.
- Members commented on the poor quality of the City Council grass cutting on verges within the parish area. It was also noted that weed killing had been less effective and grass cuttings were not being picked up.
- Shoots on trees in the Great North road central verge were reducing visibility for drivers crossing from Brunton Park to Melton Park.
- It was noted that the goal posts had been re-installed on the Green and the fencing would be removed once the concrete in the bases had hardened.
- Concern was expressed regarding the increase in dog fouling of pavements in the area.
- Members were concerned at the lack of a resolution to the problems with the bus turning circle.
- Members were worried that the overflowing bread in the refuse bins at the rear of Coppers would attract vermin. Concern was also expressed about the pallets and empty beer barrels awaiting collection at the rear of Coppers with a number of the barrels rolling around the lane in high winds. A member also questioned the need for a change of use regarding the new provision of pizza sales from Coppers.

**38. Date of next meeting**

**Agreed** that the next meeting of the Parish Council be held on Wednesday 18 October at 7.00pm in St Aidan's Community Centre, Brunton Park.
