Properties available from the City of Newcastle upon Tyne

2016 Asset Programme - Community Asset Transfer

Newcastle City Council periodically has buildings that may be available for Community Asset Transfer.

For more information about our approach and assets included in the programme, please go to:

<https://www.newcastle.gov.uk/our-city/community-buildings/community-buildings-and-facilities>

Properties may be added to this list so please check back from time-to-time for updates.

Use within community centres

There are community centres across Newcastle that are operated independently from the Council. The Council does not have a full list or contact details but we are aware that many of these hire out space or rooms. You may wish to contact any in your preferred locality if you are interested in operating from them.

OFFERS IN
THE REGION
OF £135,000

Description

LOCATION

The subject property is positioned to nearby amenities which include Asda and Morrisons Supermarkets to name a few amongst numerous other local operators. Byker Metro Station is also a short walking distance away providing access to Newcastle City Centre and the surrounding areas. Bus services are also available on a consistent basis with multiple routes connected to Byker.

DESCRIPTION

The Byker Community Centre, formerly Priory Green is a Grade II listed building which has served as a community hub/housing service office and is considered a significant part of Byker's historic redevelopment. The Grade II listing means that the property is recognised as having special architectural features which are protected. The property itself provides a substantial building with a spacious hall and ancillary storage/office space with kitchen and WC facilities over basement, ground and first floor levels. The property benefits from being fully DDA compliant via ramped access, electric doors and internal passenger lift to all floors throughout.

The former Headlam Bowling Green directly opposite the community centre is also owned by the vendor and could form part of any negotiation if a suitable purchaser / tenant required the additional land to accommodate their proposed use. The property could suit a variety of uses and is in a location that is predominantly residential in nature. There is no designated parking, however, there is free on street parking readily available.
