Certificate

In our report dated 31 July 2019, we explained that we could not formally conclude the audit on that date until we had completed the work necessary to issue our assurance statement in respect of Newcastle City Council's Whole of Government Accounts consolidation pack. We have now completed this work.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and value for money conclusion.

We certify that we have completed the audit of the accounts of Newcastle City Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
