

Admissions policy for Gosforth East Middle School for the academic year 2020/21

The Governing Body is the Admissions Authority for this school and is responsible for determining the school's admissions policy.

Admission to Years 5 to 8

How and when to apply for places

There will be 128 places available in Year 5. All applications for school places must be made on Newcastle City Council's school application form and returned to Newcastle City Council.

Applications for Year 5 transfer places (the entry year for the school) for September 2020 must be submitted by midday on **31 October 2019**. Applications for school places in other year groups or after the start of the school year can be submitted at any time.

Late applications

Applications received after the closing date for admission into the transfer year group will be classed as late and processed after all of the applications received on time.

Admission of children outside their normal year group

Parents may request that their child is admitted outside their normal age group, for example because the child has suffered ill health. Requests must be submitted in writing to the LA and include any supporting evidence from relevant professionals. Requests must be submitted before the closing date in the child's normal age group in good time for the LA to notify the Governing Body, and for the Governing Body to consider the request and inform the parent of the outcome before the closing date. The Governing Body will consider each case individually.

Special Educational Needs

Children who have an Education, Health and Care Plan which names the school will be admitted to the school.

How places will be allocated

If there are enough places at the school then every applicant will be offered a place. If more applications are received than the number of places available, the following oversubscription criteria will be used in the order shown to decide which children will be allocated places.

1. Children who are currently looked after by a local authority (in care) and children who were previously looked after by a local authority and immediately afterwards became subject to an adoption, residence (child arrangements) order or special guardianship order. Evidence of the appropriate order must be submitted before the closing date for applications.
2. Children attending one of the designated feeder schools (**group A**)
 - Broadway First School
 - Dinnington First School
 - Gosforth Park First School
3. Children attending any other Gosforth first school that is a designated feeder school (**group B**) These schools are:

- Archibald First School
 - Brunton First School
 - Regent Farm First School
 - Archbishop Runcie First School
 - Grange First School
 - South Gosforth First School
4. Children **not attending a designated feeder school in group A or group B**, who have a brother or sister (a sibling) who will be on roll at the school on the date that the child will be admitted in September 2020. Sibling can be a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer's partner, as long as the children live at the same address.
 5. Children with an exceptional medical reason that means they can only attend the specific school (for example, where the child or one or both parents has a disability that means that the child can only attend this school). Strong supporting evidence must be provided from a healthcare professional who is independent of both the family and the school. The evidence must relate specifically to this school and must clearly demonstrate why it is the only school that can meet the child's needs.
 6. Children living nearest to the school as measured in a straight line from a single fixed central point at the school to a point in the centre of the home address of the child, using the Local Land and Property Gazetteer and British National Grid Easting and Northing co-ordinates.

Tie break

Where more children apply from a feeder school than there are places available, priority will be given to those with a sibling who will be attending the school when the applicant starts. Distance from home to school will be the deciding factor for the remaining children. In the event that more than one child has an equal right to an available place the place will be offered by random allocation.

Additional notes

- Parents/carers have two weeks to respond to an offer of a school place. If an acceptance is not received it may be assumed that a place is no longer required and the offer may be withdrawn.
- Parents who share responsibility for the care of their child are expected to reach agreement to a school placement between them. In the event of a dispute the school will accept the application from the parent to whom the child benefit is paid.
- When stating your choice of school, you must give the child's permanent address at the time of application. The address of childminders or other family members who may share in the care of your child must not be quoted as the home address.
- If the child lives part of the week between two parents, the child's address should be the address where the child lives (1) during the school week, or (2) with the parent who receives child benefit or where the child is registered with a GP, if there is any dispute.

Waiting lists

For Year 5 places, waiting lists will be kept until the end of December 2020 and will then be cleared. Waiting lists will be ranked using the oversubscription criteria regardless of the date the application was received. From January and then on a termly basis, waiting lists will be cleared and parents will need to re-apply each term if they still want their child to be considered for a place at the school.

Right of appeal

Parents/carers who are refused a place for their child have a statutory right of appeal to an independent appeals panel. Please contact the School Appeals Team for information (phone 0191 277 7427 or email schoolappeals@newcastle.gov.uk). Information is also available at www.newcastle.gov.uk/admissions
