Offset request for children due to start reception in September 2022

This form is to be completed by parents and carers who wish to apply for their child to be offset and start school a year later than their chronological age group.

Do not use this form to:

 Apply for a school place – to apply visit <u>www.newcastle.gov.uk</u> and follow the links

Before submitting this form make sure you:

- Have read delaying your child's start to school information;
- Know the difference between deferring a start and offsetting;
- Have provided all the evidence needed;
- Know that even if an offset it agreed, it does not mean you will be offered a
 place at one of these schools

Parents can request an offset if their child:

- Is summer born (between 1 April and 31 August);
- · Has experienced problems with ill health or other medical issues

Schools must consider:

- Parent's views;
- Information about the child's academic, social, emotional development;
- Medical history (where relevant);
- The view of the headteacher of the school.

Different schools may make different decisions and there is no right of appeal for an offset.

If you require any information, advice or support with the offset or reception process:

- See our website: www.newcastle.gov.uk
- Email us: admissions.information@newcastle.gov.uk
